

Returning to Boulder Ridge Day Camp for 2010...

Week 9!

August 23rd - 27th

A One Week Specialty Program

where your camper will be able to focus on
one area that interests them the most!

Each camper will choose from three areas:

Fine Arts

Outdoor Adventure

Sports

Campers will participate in a variety of activities within their area,
along with receiving a daily Free Swim period and elective.

- The cost for Week 9 is \$325 if registered before February 28th, or \$355 after.
- *Take off an additional \$25 if Week 9 is added to any other camp session!
- Campers will choose their specialty area in advance. The sign-up form will be given to campers during a prior session at camp or emailed if only attending Week 9.
- Campers may be grouped in broader age groups.
- Although we will do our best to make sure the bus schedule remains consistent, Boulder Ridge Day Camp reserves the right to modify the bus schedules for this session. At minimum, we will maintain at least one stop in each of our pick-up towns from which a camper enrolls. The pick-up towns are those listed on the 2010 bus schedule.
